Dear Parents/Guardians,

2023/24 Seasonal Influenza Vaccination School Outreach (Free) Programme

Vaccination is one of the most effective ways to prevent seasonal influenza and its complications. In order to reduce the serious complications caused by seasonal influenza infection and the risk of influenza spreading in the community, the government arranges doctors to provide free seasonal influenza vaccination for students in Hong Kong schools. The relevant arrangements are as follows:

Date: 12th December 2023 (Tuesday)

Time: 08:30 - 13:00

Venue: School Hall

Doctor responsible for the vaccination: Dr LEE, Huen (Human Health Associate Limited)

Please complete the reply slip on eClass Parent app on or before 10th October 2023 (Tuesday), so that the school can arrange vaccination. Parents, please complete the vaccination consent form and return it to the class teacher.

For information on seasonal influenza vaccination in Hong Kong for the 2023-24, please visit the website of the Center for Health Protection of the Department of Health at <https://www.chp.gov.hk/tc/features/100764.html>. For enquiries, please call 28587002.
