Dear Parents/Guardians,

## 2023-2024 Final Examination

The school's final examination will be held from 5 June to 18 June. The examination schedule is attached in **Appendix I**. Parents should urge their children to study hard and better prepare themselves for the examination. During the examination period, students must arrive at school by 8:00 am, and return home at once after the exams to do the revision. If the Education Bureau announces class suspension, the examination on that day will be rearranged for the reserve examination date (19 June). For relevant arrangements, please pay attention to the "Latest News" section of the school website. Also, students need to clear their personal belongings from school before the examination, so the school can start its annual maintenance and cleaning after the examination. Any items left behind will be discarded.

## Arrangement for Checking of the Final Examination Papers

The checking of students' examination papers will be held from 20 June to 24 June. Details are listed in **Appendix II**. Students are required to return to school on time (before 8:00 am) in their proper school uniforms to attend classes.

For enquiries, please contact the school office at 28587002.

Yours sincerely,

CHUNG Yiu Kee  
Principal
